Sarah Muhn
Catering Sales Manager
The Westin Westminster
10600 Westminster Boulevard
Westminster, CO 80020

Dear Sarah:

On behalf of all of us at Agile Group, I want to thank you and your entire staff for the excellent service we received in organizing and running our recent event.

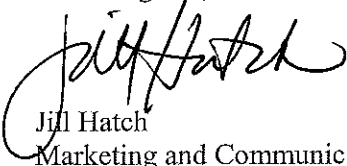

From the earliest planning stages through the actual execution of the event, communication and responsiveness were hallmarks of the service we received. I very much appreciated your attention to detail, rapid response time to inquiries, and frequent suggestions for ways to upgrade or improve our experience. In particular, your warm and friendly demeanor and willingness to adapt to our needs made the entire planning process an absolute pleasure.

During the event itself, I was cheerfully greeted at the door by Angela, who helped me to get my event materials to the room. When I arrived, the room was set beautifully and exactly to our specifications. Alayna (my apologies for almost certainly misspelling her name) was already onsite and pitching in to assist us with our preparation, which was very much appreciated. Additional requests (for items such as tissues and a wastebasket, which I had not included in the BEO) were responded to promptly. During the event, the catering staff did an outstanding job of maintaining the buffet with no disruption of any kind to our meeting.

As you know, the only difficulty we encountered was with the room temperature. Although the staff responded to our requests to adjust the temperature, the logistics of heating and cooling such a large space proved to be too daunting a challenge, and the temperature ended up uncomfortably cold. For future events, I'm sure that this issue can be addressed by making some adjustments to the thermostat setting and stabilizing the room temperature prior to the event.

Once again, thank you for all of your efforts. We look forward to the opportunity to work with you and the rest of the Westin Westminster staff on future events.

Warm regards,

Jill Hatch
Marketing and Communications Manager
