Dear Sarah:

On behalf of the Rocky Mountain Chapter of the American Concrete Institute, and myself, I want to take this opportunity to thank you and your staff for a fabulous experience at our 41st ACI Awards Program Banquet on Friday night. From the beautiful room and centerpieces you provided, to the efficiency of your staff, to the excellent quality of your food—what more can you ask for! And Chef Scott is just terrific! Please convey this message to him and thank him for all of his culinary experience on our behalf. Our guests were extremely complimentary of that wonderful dinner.

Thanks again, Sarah, for all of your help. You were wonderful to work with. Hopefully on our next hotel rotation for this event, you will still be with the Westin and we can look forward to another great evening.

I look forward to your continued support.

Sincerely,

Flo Dubowitz, Staff Administrator
