Mr. Dani Stern,  
General Manager,  
Westin Westminster Hotel

Dear Mr. Stern,

As Chairman of the 34th Colorado Ski and Snowboard Hall of Fame Induction Gala and Executive Director of the Museum and Hall of Fame, we would like to thank you and your staff for making our event last Saturday night such a success. Janine Anderson was extraordinary with her incredible organization, eye for detail, and extreme willingness to help with every aspect. Her kindness and helpfulness transferred to her entire team and made not only for a wonderful end product but for an enjoyable planning and working experience as well.

A special thank you to Janine and her staff, as well as to everyone at the Westin. We look forward to working with the Westin Westminster next year and into the future.

Sincerely,

Lynn Deutschman  
Chairman
