Dear Amy,

I just wanted to thank everyone on the staff there at the Westin for all that you did to make our course a tremendous success again this year. As in the past 8 years, the hotel staff were all absolutely excellent and did everything we asked and more. Mr. Stern has much to be proud of in his staff, from housekeeping to banquets! The new Audio/Visual company also did a great job this year!

Thanks also for the nice gift you recently sent Missy. She loves being a Starwood Preferred Planner in training! I hope you have a wonderful rest of the summer, and we look forward to working with you again next year.

Best regards,
