Dear Amy and the entire Events Team,

Thank you so much for making our 3rd Annual Rockies Gas & Oil conference a success. You all made my job as the meeting planner easy. Throughout the entire planning process, you & Jennifer Williams kept the lines of communication open, and worked with me as Platts struggled with lower than expected attendance, and the scheduling of the new carpet for the foyer & meeting rooms. Onsite, I was able to meet the rest of the team and was in great hands. Dan Henderson and Tom La Rue were knowledgeable and very helpful with all of our AV needs. Without Tom's assistance on one particular presentation, we'd not be able to open it and use it for the conference. Ashley Ziskal & Jason Delcamp were so accommodating with all of my requests, and would appear immediately when I needed anything. Dumsile Williams was the banquet service supervisor for both mornings and made sure all of our F&B functions went seamlessly. All of the servers were pleasant and considerate of our needs and requests.

There are many hotels that have great meeting space to hold our events at. There are very few that also have well trained and caring staff. A great room is only a room if the people who work there don't make the meeting work for each group. At the Westin Westminster, we not only had a great space, we also had a great team helping every portion of our meeting go well and stress free. I wish every hotel was as attentive to the details as the Westin Westminster is.

Thank you again for everything. I look forward to working with you, Jennifer, and the rest of the team again.

Sincerely,

Jennifer Osborn
